Dear Ms. Broomhead:

The Oregon Republican Party is in receipt of your Request for Additional Information dated April 19, 2011, concerning our amended 2010 Year-End FEC report.

This report covered a 39-day timeframe, whereas (as you noted in your letter) Party committees are permitted to make transfers from their non-federal accounts up to 60 days after payment to the vendors. The \$ 9,000 transferred and reported by the Party included reimbursements for allocable expenditures paid in the previous (post-general) reporting period.

In fact, during the course of 2010, the Party's non-federal share of allocable expenditures was \$ 211,564.30, but the Party transferred only \$ 177,898.12, and thus as of 12/31/10 the Party had transferred less than it was entitled to under the regulations you cited. Accordingly, no repayment transfer back to the non-federal account is required.

Sincerely:

Rob Kremer, Treasurer  
Oregon Republican Party
